

## A Successful Investigation of Extinction of Extinction

### *An investigation of problem behaviour treatment without extinction*

**ELIZABETH ATHENS KLAR**, *PhD*,  
*BCBA-D; Clinical Director, ABA Learning Centre  
and Instructor, Douglas College Ltd.*

We know that extinction works to decrease inappropriate behavior but we also know that it is often not used in natural settings because some behaviours cannot be ignored in “real life.” This presentation will address this issue by describing an empirical evaluation of differential reinforcement treatment without extinction.
