

Using Preference and Reinforcer Assessments in Clinic, School, and Home Settings

LAURA GROW, PhD, BCBA-D;
*Assistant Professor, Department
of Educational & Counselling
Psychology, and Special
Education, University of
British Columbia*

This workshop will provide a brief overview of different preference and reinforcer assessments; the contexts in which each assessment is typically used; and practical advice regarding how to conduct frequent preference and reinforcer assessments in clinic, school, and home settings.
