Presenter

*Pat Mirenda, PhD,
BCBA-D, Professor, Faculty of
Education, and Director,
Centre for Interdisciplinary
Research and Collaboration in
Autism (CIRCA), University of
British Columbia.*

CIRCA Winter Colloquium Series 2014
**“Sensory” Interventions for Individuals
with Autism Spectrum Disorder:
What Does the Research Say?**

Wednesday, April 16, 2014
1:00 - 2:30 pm

Neville Scarfe Room 310

RSVP <http://tinyurl.com/PMirenda-Apr16>
Light refreshments provided. Feel free to bring your lunch.

Interventions such as sensory integration therapy, sensory rooms, weighted vests, deep pressure brushing, and auditory integration training all aim to address challenges related to sensory hypo- or hyper-sensitivity in people with autism. This presentation will provide an overview of the current research related to such interventions and the implications for practice. ■
