The guiding principle of the CABAS® system is that “The student is always right!” This presentation will provide an overview of CABAS®, the components of the Learn Unit, and the Decision Protocol. The characteristics of teaching using applied behavior analysis to ensure maximal student achievement and teacher expertise will also be discussed.

**1.5 Type 2 Continuing Education Units (CEUs) are available free of charge to BCaBAs and BCBA's who attend this event.** Sign in and sign out will be required, and you must bring your certificant number with you to the event.
