CIRCA Colloquium 2016

Why is My Client Eating That? Making Sense of Seemingly Senseless Behaviour

Laura Grow, Ph.D., BCBA-D
Assistant Professor, ECPS

June 8, 2016 | 1:00 - 3:30 p.m.

2125 Main Mall [Scarfe Rm 310](#)

RSVP: tinyurl.com/LGrow-Jun8-2016

2.0 Type 2 Continuing Education Units (CEUs) are available free of charge to BCaBAs and BCBA's who attend this event. Sign in and sign out will be required, and you must bring your certificant number with you to the event.

In this colloquium, Dr. Grow will discuss the medical and behavioural assessment of pica (the persistent eating of substances that have no nutritional value), safety precautions and considerations, short- and long-term medical risks, several interventions for the treatment of pica, and resources for practitioners and caregivers. The presentation will be appropriate for beginning and advanced practitioners providing services to individuals with developmental disabilities, caregivers of individuals with developmental disabilities, and medical professionals.

Contact: joanne.oconnor@ubc.ca

Light refreshments will be provided.
