

Do you have a child with Autism Spectrum Disorder (ASD) or working with a child with ASD?

We are looking for

- **Parents** of children with ASD
- **Clinicians** working with children with ASD
- **Managers** of ASD associations
- **Policy and Decision makers** in Paediatric fields

to participate in a 60-90 min interview or focus group

You will have the opportunity to share your perspectives on knowledge translation and adopting novel technologies in the field of ASD

Principal investigator: Dr. Tal Jarus
